| Model | Prompt | Check |
| Use <i>Worms Like to Wiggle</i> to practice following one-step directions. Before reading the story, tell the kids that you are going on a treasure hunt. Hide the book somewhere in the classroom in a treasure box. Make a list of directions to find the book and show the kids. Begin by reading the first direction and model how to follow it. | As you get to the 3 rd and 4 th directions, stop showing them how to follow the directions but still be there to provide support. | When reading the last few directions allow the kids to try to figure it out. When they find the treasure box, have them bring it to you because you are the only one who can open it (this is to avoid conflict). When you open the treasure box, <i>Worms Like to Wiggle</i> is inside. Tell the kids opening a book is like opening a box of treasure because there is all kinds of good stuff inside. |
